ESTIMATING SOFTWARE
FOR HOUSING CONSTRUCTION

SAVE UP TO 70% OF YOUR ESTIMATING TIME

THE LATEST IN MEASURING TOOLS – fast, accurate, automated

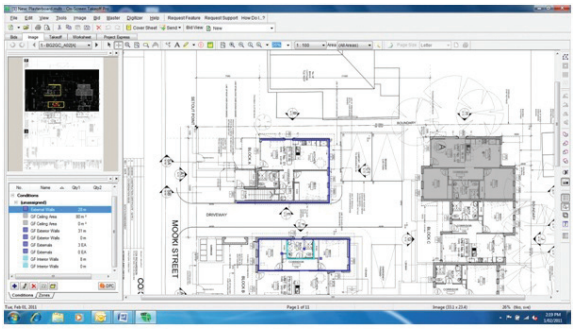
Digitiser – A computerised drawing board. Place your plan on it, trace the lengths and automatically send measurements to the software. Eliminate tracing drawings by hand.

Fast and accurate estimates.

Available in two sizes: A3 (18" x 12") and A1 (30" x 36")

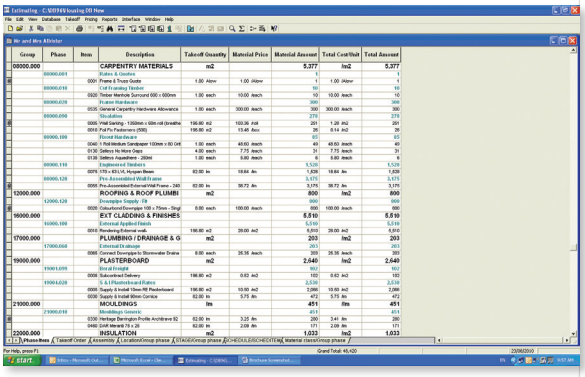
ON-SCREEN TAKEOFF (OST)

Use your mouse to quantify lengths, areas, volumes and counts and your plans ready for estimating.



COMPLETE SOLUTION

Fully integrated construction solution – job costing, project management and accounting.



FEATURES
